

Tee Off to Success!

BOOK NOW for Collins Hume's exclusive International Business Development Conference in February 2012

Following the success and enjoyment of Surf the Wave to Success, Collins Hume is proud to present our second International Business Development Conference - 'Tee Off to Success'. To be held in the pristine surrounds of Queenstown, New Zealand, the key objective of this conference is for attendees to achieve a work and play balance that will lead to greater success in their businesses.

Conference Programme

With personalised, one-on-one business guidance from Collins Hume Partners **Peter Fowler and Chris Atkinson**, attendees will undergo daily workshops allowing them to identify areas of improvement in their business and provide them with great strategies that can be implemented immediately to achieve instant results when they return. International business guest speaker **Rob Nixon** will join the conference to inspire and provide insights with his presentation.

Attendees will be provided with full conference notes that will provide added inspiration to implement all the great business improvement ideas you will learn from Peter, Chris & Rob. All the hard work will be balanced by golfing and downtime with everything this region has to offer and will wrap up with an exclusive Gala dinner on the final night:

- **The Hills** was opened in 2007 to host the New Zealand Open and is home to an incredible array of flora including native brown top grasses and wild native mountain tussocks. Sculpture compliments the natural beauty of the course's lakes, waterways and wetland areas. Local conditions provide the ideal climate for the finest grasses suited to the modern day game of golf.
- Voted Best Overseas Golf Resort, **Millbrook** is dwarfed by the surrounding mountain ranges of The Remarkables and Coronet Peak. Play on one of the most scenic golf courses in the world with the dramatic terrain challenging all levels of players.
- **Jack's Point** is in one of the most spectacular landscapes in the world. In addition to golf, visitors can enjoy fly fishing for rainbow trout in Lake Tewa, tennis and the many kilometres of beautiful walking and mountain biking trails.
